

EUROPEAN SENIORS CHAMPIONSHIP 2022
PITCH & PUTT HCP1 Sant Andreu de Llavaneres
7th-9th October 2022

With the objective of organising a successful Championship which will be celebrated on October 7th, 8th and 9th of 2022, at the HCP1 Pitch & Putt course in the town of Sant Andreu de Llavaneres, the Championship Committee has established a **preliminary pre-inscription date of 15th August 2022** in order to ascertain the approximate number of participants attending the tournament, especially those from other FIPPA associations. This will allow the organising committee to estimate the potential dimension of the event. The definitive **closing date for inscriptions is September 5th 2022**.

Those players, pre-inscribed, will have first preference and will be allocated guaranteed participation assuming they comply with the prerequisite norms applied to the competition. In case a FIPPA member association exceeds the suggested limit of available places, every effort will be made to accommodate those players in the likely event of vacancies from other FIPPA member organisations.

PARTICIPANTS

The initial regulation for inscriptions is:

10 players per member organisation of FIPPA.

55 players reserved for affiliated playing members of the hosting member FCPP.

10 players reserved on behalf of the organising committee.

2 players reserved on behalf of the course committee.

The Catalan Federation of Pitch & Putt will determine which Catalan players will have direct placement based on the most recent Catalan championships and the current Ranking League. Subsequent places for local participants will be determined by means of an open qualifying competition, so as to allow all those interested a possibility to attend the Championship. The qualifying competition will be held on the 30th September 1st and 2nd of October 2022.

The international competition itself will be held on the 7th, 8th and 9th October with a total of 144 participants. There will not be a "cut".
